Nomination and Application process

Nomination

The student will be nominated by the international Relations office of their home university via our online system, MoveOn.

Please divide your students equally between both campus (Seville and Córdoba) and communicate your students the campus they will be attending.

Application

The student will receive an email with instructions regarding their online application. The student must complete it as soon as possible, especially non-EU students. If this is not completed, we will assume that the student is rejecting his exchange opportunity with us.
